

I hope You take the time to read this letter. I'm writeing to let You know that I would like for You to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve. I drive a truck for a liveing and I use Xm's traffic and weather chanel's when I'm comming into a major city to find out how traffic is moveing, Now I'm sure this may not mean much to You but I'm sure You would like it if I were to find anouther route around Your city and it's busy interstate's duing rush hour traffic, this way You don't have to worry about me slowing You down on Your drive home. Now I don't know if You have an Xm Radio but if you do You know what I'm talking about and being that I pay for these services it should not be up to the National Association of Broadcasters to dictate what I'm permitted to hear! So I RESPECTFULLY urge You to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that You and I deserve.

time. Thank You for Your
